### 3.1.4-(2) Encouragement to Novel Ideas

The knowledge and skills related to diversity and inclusion are developed in PTs through various tasks under the guidance of well-qualified and devoted faculty who make them perform and practice in day to day working.

The faculty develops among PTs a clear understanding of the psychology of school children with individual differences in focus.

It fosters creative thinking among PTs for the reconstruction of knowledge. It acquaints them with the educational needs of special groups of students.

It motivates them for the utilization of community resources as educational inputs and therewith establishes contacts with different professionals /professions and communities.

It tries to inculcate and promote integrated value system among its PTs through a disciplined living as specified in the professional code of conduct of the college.

The faculty works for empowering PTs on various additional components such as democratic values, effective classroom interactions, use of methods and techniques in classroom situation, Inclusive Education, Effective Class-room Communication in Teaching Learning Process, Role playing in Education etc. and trains them in the art of identifying students with different need and perspectives by observing, talking, intervening, discussions, etc. For these activities panel of experts are also invited to share their experience and guide the faculty and PTs.

The faculty provides encouragement to PTs for participation in various cultural, literary and sports activities without any discrimination.

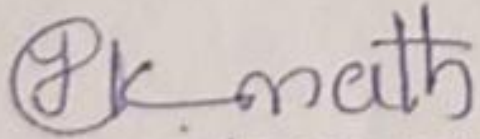

PTs present paper on subjects of their interest in projects, workshops & seminars organized during Inter-house competitions.

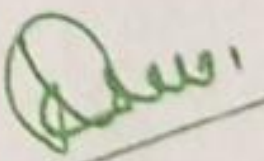

The faculty exposes PTs to experiences for acquiring the value of dignity of labor. They perform activities like preparing tracks and fields in the playground, cleaning black board, gardening activities as part of socially useful productive work etc.

Similarly, the faculty facilitates in selection of PTs in the teams for various sports and other activities in a way as to provide representation to various regions, religions; languages, etc.

The faculty creates among the PTs, sound interpersonal relationship with all the persons involved in the process of teaching -learning.

Encouragement and stimulation to the faculty members by giving them study leave with pay protection for advanced study, Ph.D. course work in Education and also study leave to the non-teaching staff for higher study through distance mode for up gradation in their qualification for better perspective.
